**\$210,755 FROM TAX ON BANKS**  
Was Received by State Treasurer This Year From Savings Institutions—\$355,377, Came in Last Six Months—  
\$241,143 Increase Over Tax Receipts Ten Years Ago.

State Treasurer Frederick S. Chamberlain, received on Friday the last state tax payable on their deposits by savings banks and trust companies having savings departments. The amount paid by the savings banks was \$210,755.12. The amount paid by the trust companies was \$14,076.54, making a total for the six months of \$254,831.66. This made a total for the year of \$510,755.12. The amount paid for the year ending June 30, 1914, was \$274,803.77. The tax is at the rate of one-quarter of one per cent. It may be of interest to see how the tax on savings banks has increased in ten years. The amount of the tax received in 1905 was \$48,611.55. This makes an increase in 1915 of about \$241,000. The amounts paid by the savings banks from 1905 to 1914, inclusive, were as follows: 1905, \$48,611.55; 1906, \$53,444.72; 1907, \$58,563.35; 1908, \$63,913.97; 1909, \$69,407.04; 1910, \$75,043.77; 1911, \$80,800.12; 1912, \$86,666.47; 1913, \$92,532.82; 1914, \$98,400.12; 1915, \$104,267.47. The increase in the amount of the tax is in proportion to the increase in the amount of the deposits. The rate of tax has been the same for the period for which the figures are given so the increase in taxes is an index of the increase in the savings of the people of the state who use the banks. If the rate of increase for the next ten years keeps up in the same ratio as in the last decade it is likely that in 1925 the deposits in the savings banks will yield a revenue to the state of about \$1,000,000; but will the rate of increase keep up? It has not escaped notice that the amount of the state tax this year is only about \$6,000 more than in 1914. In the three years, 1910, 1911, inclusive, the increase was a little more than \$20,000, while in the last triennial period 1913-1915 inclusive, the increase was only \$23,000.

**ALDERMAN BOND NOT TO BE CANDIDATE.**  
New-London Friends Say He Will Not Run for Mayor.

It is said that Alderman Henry R. Bond, Jr., of the Second ward in New London, who some weeks ago announced his candidacy for the republican mayoralty nomination, will not be a candidate in the fall caucus. Alderman Bond and Mrs. Bond, who was Mrs. Harriet Learned Howland of this city, are on a western tour which will include a visit to the exposition, so no confirmation of this report was available from him, but it is said on good authority that the alderman will not be a candidate and that there will be no opposition to former Alderman Ernest E. Rogers, who it is known would accept the nomination. The report comes from all parts of the city approved Mr. Rogers' candidacy and it is felt certain that there will be no opposition to him. Alderman Bond, it has been said, would make a spirited fight in the caucuses and might run independently if unable to secure the republican nomination. The story now is that the fact that Alderman Bond has an unexpired term to serve in the council has influenced him somewhat in his decision not to make a contest for the mayoralty nomination this fall. The election of Mr. Bond to the council was his debut in politics, and it is said he feels that by serving the full term as alderman he will gain a better knowledge of the city affairs. The mayoralty election is but two months distant and there is more discussion about this year than in many years. There appears yet to be no candidate for the democratic nomination. Acting Mayor A. J. Miner a few days ago reiterated his declaration of some weeks ago that he will not be a candidate in the fall. William T. May, often mentioned as a possible candidate, has been heard of in connection with the idea. Friends of Alderman Thomas Gragan have launched a more or less indefinite boom for him. His attitude in the automobile fire engine controversy brought him considerable prominence and he is a warm favorite with members of the fire department.

**WAR VETERAN ANSWERS LAST ROLL CALL.**  
Billy Rockwell, Once of Mystic, Dies in Buffalo.

Friends, relatives and acquaintances of William C. Rockwell, formerly of Mystic, will be interested to learn of his death, which occurred on Sunday, July 25, at the Buffalo hospital after a short illness terminating with an operation. Mr. Rockwell, familiarly known as "Bill" Rockwell, was born in New Haven on Oct. 2, 1838, and was in his 82d year. He resided for many years with his parents, Almen and Martha Rockwell, in the old home, which was used to be opposite the Temple, now the Stearns building. For some time he was a popular driver of carriages as well as a first class carriage trimmer. When the war broke out he was living in Mystic and was the first to volunteer from that place. Being a graduate of the Russell Military school, he started out as second lieutenant of the 15th Connecticut regiment and was also appointed as acting adjutant on account of his superior abilities as a penman. He never feared death and he was always maintaining that "the bullet wasn't made that would kill him."

**Civil Service Tests.**  
A test for male stenographer clerks is to be held by the civil service commission Thursday, August 19, at one o'clock, at State Capitol, Hartford, to establish eligible lists in three grades: A for positions paying over \$75; B from \$51 to \$75; C \$50 or less, per month. Certificates from these lists will be made for permanent appointment to the position of stenographer for the state highway commissioners at New Haven, paying \$65 per month at the start. Applications from candidates 18 or over must be made on blanks furnished by the commission, and be filed at the civil service commission, State Capitol, Hartford, Conn., on or before noon of Saturday, August 14, 1915, for this test. A new telephone receiver is so small that it can be inserted into the ear instead of being held against it.

**Auto Wreck Victim Recovers.**  
Charles Lang, who received a fracture of an arm in an automobile accident on the Norwich road, just outside New London, two weeks ago, when his automobile was struck by a car driven by William U. Wheeler of Crescent Beach, is recovering and will be discharged from the Memorial hospital in a few days. Mrs. Anna Beebe Baugh, who was with Lang and was injured, has left the hospital.

**PAPERS SERVED IN APPEAL FROM PROBATE.**  
Long Trial Is Expected in Pendleton Case in Superior Court.

An appeal has been taken by Everett N. Pendleton, cashier of the First National Bank of Stonington, administrator of the estate of Nelson A. Pendleton from a decree of the Superior Court probate court allowing an account filed by Oscar F. Pendleton and Marion R. Davis as administrators of the estate of Moses Pendleton. Papers in the suit were served by Deputy Sheriff William H. Casey and are returnable before the superior court the first Tuesday in September. The litigation concerns the litigation of differences between the children of Nelson A. Pendleton and Oscar F. Pendleton as to the management of the estate of Moses Pendleton, who died 24 years ago.

Numerous hearings have been had in the probate court in the past two years in relation to the matter, and among the points now in dispute is whether Oscar F. Pendleton should pay rent for the homestead property, where he now resides, and also a proper rental for the store and dock property used by him in the conduct of a grocery and coal business. Numerous other questions have arisen, and the trial of the case will probably take a great deal of time in the superior court. Mr. Davis, one of the administrators, is an attorney, and Hull, McGuire & Hull of New London, and A. Breed of Stonington represent O. F. Pendleton and sister, Miss Fanny Pendleton. Moses A. Pendleton of Stonington, a former executor of the will of his father, and who reigned about one year ago, is represented by John C. Geary of New London. The amount involved is about \$12,000.

**THREE BIRTHDAYS WERE CELEBRATED TOGETHER**  
In Outdoor Party at Fort Hill of Mr. and Mrs. Dwight Cook.

A delightful outdoor party was held Friday afternoon at Fort Hill farm, the home of Mr. and Mrs. Dwight Cook, which were on the 11th and 23rd of July, respectively. The party was held in a grove where a royal good time was had with swings and games of all kinds. Adding a final note to the enjoyment was a basket lunch served by Mrs. Cook.

Following many merry games, ice cream and cake were served upon the lawn. Three generations were represented in the gathering, Mr. and Mrs. William Avery Cook, Mr. and Mrs. Dwight Cook, Masters Harry and Dwight, Jr., and little Miss Rosemond Cook. The other guests were Mrs. William Holdredge and children, Mrs. Louis M. DeMonte and children, Elaine and Duane DeMonte.

Many pretty gifts were received by the young hosts, who were wished many happy birthdays by their little friends.

**TWO ADJOINING STATES OUT OF QUARANTINE**  
Rhode Island and Connecticut Have Been Released.

Recent orders of the department of agriculture release the states of Connecticut and Rhode Island from quarantine for the foot and mouth disease. The same order frees the states of Kansas and West Virginia, and more territory in the state of Pennsylvania, New York, New Jersey and Illinois. In Massachusetts the quarantine has been raised from Plymouth and Worcester counties and leaves only the Brighton Stock Yards and Abbotville under quarantine. Only three counties in New York are now under quarantine.

At the present time, with the exception of a number of stock yards which are limited to handling animals for slaughter, the territory which still remains under quarantine in the United States for this disease which spread so rapidly over the country last fall is limited to three counties in New York, certain portions of Hudson county, New Jersey, two counties in Pennsylvania and portions of four counties in Illinois. The department of agriculture hopes that it will be possible soon to remove these last remnants of the disease.

**\$1,759.35 FOR CITY AND \$1,809.07 FOR TOWN**  
Was Cost to Defeat Effort to Split Norwich into Two Towns.  
It cost a total of \$3,568.42, \$1,759.35 for the city and \$1,809.07 for the town, to pay the fees and expenses of the lawyers engaged in the course of the last general assembly to the fight against the bill that would have made the fourth and fifth districts the town of Old Norwich. On July 25, the bill was passed by a vote of 10-9. The bills are these: Corporation Counsel Joseph T. Fanning, for services and expenses, \$554.98; Attorney Edwin W. Higgins, \$250.00; Attorney James A. Browning, \$520.84; and Stenographer M. H. Meyer, \$170.

The selectmen have the following bills against the town to consider at a meeting this morning: Attorney William H. Shields, \$550.00; Hugh M. Alcorn, \$750.00; and Edward M. Day, \$300.00. The bill of the stenographer was \$130.

**GAME PROTECTORS TOOK SIX NIANTIC MEN**  
On Short Lobster Charge—Only One Was Fined.

Fish and Game Protectors Frank V. Decker and Fred Dimmock of New London, presented six Niantic lobstermen on Thursday before Justice M. R. Davis for violations of the state lobster laws. George H. Bach of Black Point was fined \$3 and costs for having an unmarked car and three short lobstermen in his possession and for a threatening letter he wrote to the commissioner since his arrest. George Bigelow, Robert Havens and Fred Green had their cars impounded as they were charged with not having their cars properly marked, which is a technical violation of the law. The lobstermen were taken from five short lobstermen in his possession, but it developed that these lobstermen were discovered in a pot which Cook had pulled that day, so he was discharged, as was Arthur C. Saunders, who was charged with having one short lobster in his possession.

**FIDELITY CLASS HELD SUCCESSFUL SALE.**  
Had Good Patronage At Home of Miss Jessie Lynch.

A successful sale was held on Wednesday afternoon and evening by the Fidelity class of the First Baptist Church at the home of Miss Jessie Lynch. The tables were very attractively decorated and were well patronized, the class hoping to realize a goodly sum. Mrs. Charles Cross, the class

teacher, served ice cream and cake during the afternoon. The "Dahlia Garden" where dainty gifts were found to grow, was cared for by Mrs. LeRue Bliven of charge of the cake and food table. The peanuts were sold by Mrs. M. L. Bergstresser.

**ENABLES MOOSUP BOYS TO CONTINUE AT YALE**  
John F. Milner and Sons Make Up Depleted Income from Scholarship Fund.

The fund left by the late Hon. Edwin Milner the revenue from which was to apply to the payment of the tuition and expenses of four students at Yale university was invested in New York, New Haven and Hartford railroad stock, says the Moosup Journal. As is well known, that stock does not now pay a dividend, and consequently no more young men from this town may have their expenses paid at that institution. There is, however, an additional fund of \$10,000 so invested as to draw interest at the rate of six per cent, and this will be sufficient to support one student at Yale. Reconsidering the embarrassing situation in view of the four students from this town who are now taking a college course at Yale, and considering the hardship that would come if the money for their support failed, the deficiency has very generously been met. A little time ago our townsman, John F. Milner, brother of the late Hon. Edwin Milner, met in conference with his sons and together they donated a sufficient amount, \$6,000, to enable the present students at Yale from this town to continue their studies as originally planned. The students now in Yale under the Milner fund are John A. Prior, Earl Bragg, Francis Sullivan and Howard Styles.

We will all hope that with better business, and with an absence of needless government interference with its affairs, the New Haven road under the present efficient management will soon be able to declare dividends as formerly.

At \$2.75—reduced from \$3.50

**CLAIMED RESIDENCE HERE TO GET LICENSE**  
Five Days' Delay Was Avoided by Native of East Lyme Intending Matrimony.

Gilbert Nelson Faulkner, 35, a native of East Lyme, and Victoria Gustin, 35 of Waterford, applied for a marriage license on Thursday at the town clerk's office and since the man stated that he had lived at 70 Hamilton avenue for 11 months he was granted the paper at once, instead of having to wait the five days necessary for out-of-town applicants. It has been learned upon investigation that he had never lived at the address he had given which was that of a cousin of his, Mrs. Joseph Haskell, and that he had not visited his Norwich relative in months. He is a fireman for the T. A. Scott Co.

Whether the couple have been married here yet or not has not been learned.

The American mountain sheep are the greatest leapers in the world.
